Definition

A letting may be defined as “any use of the school premises (buildings or grounds) either by a community group or a commercial organisation”. Activities which fall within the life of the school, such as PTA meetings and events, are not considered to be lettings and no charge will be levied.

1. Applications

All correspondence and applications for the hire must be made directly to the Headteacher. All applications are subject to approval by the Governing Body of the School, but subject to any direction given to them by the LA or the Diocese. In the event of any request for hire or agreed letting, the school’s own needs for the premises will take priority. The Governing Body reserves the right to disapprove without reason any request made for the hire of the school premises. The School Business Manager will ensure that the appropriate paperwork has been completed. A summary of the process and paperwork to be completed is attached at Appendix 7.

2. Hirer

The hirer must be over 18 years of age and shall be the person by whom the application form for the hiring is signed. Such person shall be responsible for the payment of the fees payable in respect of the hiring and for the observance and performance in all respects of the conditions and stipulations contained in the hire agreement.

3. Fees and charges

The Governing Body is responsible for setting charges for the letting of the school premises and will ensure that the school budget does not subsidise non-school activities and that all costs are covered. In arriving at their scale of charges, the Governing Body has followed the following principles:

- There will be parity of treatment for similar users
- The overall cost of letting school facilities will be recovered from users.

The scale of charges is attached at Appendix 1 to this policy and will be reviewed annually by the governing body for implementation from the beginning of the next academic year. The Headteacher or the Governing Body may offer discounts or agree a subsidy for any lettings, as they deem appropriate. Existing hirers will be given at least half a term's notice of any variation to charges.

Payments for individual bookings shall be required in full upon signing the Conditions and Hire Agreement together with the returnable deposit required by the Governing Body. Payment for recurring bookings shall be required half-termly in advance, school will make arrangements with the provider of services for invoicing/direct BACS payments. A receipt will be issued for all payments received by the school office.
