

RE

This half term we think about 'Listening to God's Word at Mass.' Try and find and remember three verses from the bible that you really like.

English

Can you write a diary entry imagining you are climbing Mount Everest?

Maths

- Can you learn your 6 and 8 times tables?

Why not use Times Table Rockstars to help you or try this Collins Times Tables simulator - [Collins Times Tables Simulator link](#)

Geography

- Create a set of Top Trumps cards based around different rivers of the world based on their length, uses & number of countries they travel through.

Half-Termly Activity Grid

Year 3

Autumn 1

Topic - Rivers, Mountains and the Water Cycle

PE

Our PE sessions are on Tuesday and Wednesdays - please remember your kit.
Tuesday - indoors
Wednesday - outdoors

Reading

Make sure you are reading at home with an adult at least three times a week.

- Try and read a newspaper article, a letter and some song lyrics this half-term!

Art/DT

- Create a river with all its features using junk modelling, you could even pour water on it once it's finished to watch how it flows!
- How have the stories of Jesus been displayed in art over the years? Find your favourite religious artwork and create a presentation about it.

Music

You've spent a lot of time rehearsing with your ukulele.

Why not put on a performance for your friends and family at home!
