

RE

- Rewrite one of the parables of Jesus in a modern day setting- try to keep the message of the parable the same even when changing the story.

English

- Last term, we read a story called 'The Green Ship' by Quentin Blake. Can you write and illustrate the sequel to this book? What would happen next?

Maths

- Create a Venn diagram that details the things that have changed and have remained the same since the industrial revolution!

History

- Research what Burton on Trent may have looked like before the Industrial Revolution and create a PowerPoint presentation about the before/after changes in our local area.

Half-Termly

Activity Grid Suggestions

Year 3 Summer 2

Topic - The Industrial Revolution

Science

- Set up an experiment at home using different household items to measure how the sunshine affects the shadow from the object?
What do you notice?
What happens if the object is transparent?

Reading

- You've done a lot of reading this year - in school and at home! Choose your favourite book of the year and write a review about it to recommend the book to others!.

Little and Often

- Recap your 6 and 8 times tables
- What differences were there between the Stone and Iron Age?
- When can apostrophes be used?
- What are the rules for punctuating speech correctly?

Health and Wellbeing

- Plan a week of healthy summer meals and help to shop for and cook them with your parent's supervision.
- Take time to read and relax find a comfy spot with a book and enjoy some peace and quiet each week!
