

RE

- Write about the events of The Ascension and Pentecost.
- Create a shape poem about how we can care for our planet.

English

- Write three different sentences using all the following words: Centurion, citizen, emperor
- Make up a crossword using Roman words.
- Create a game that children might have played in the Roman times. Write instructions on how to play it, using lots of imperative verbs!

Maths

- Create a secret message code breaker using roman numerals
E.g. a = I., b = II, c = III, d = IV, e = V.
- Make your own maths game board linked to the Romans! Land on a Roman soldier square and move back three spaces, land on Julius Caesar and move forward 5.

Geography

- Draw/trace a map of Italy. Can you label 5 different cities?
- Carry out some research into our topic on the Romans. You could choose a particular theme or key figure.

Half-Termly Activity Grid Suggestions

Year 4 Summer 2

Topic Romans

Science

- Choose a Roman invention. Draw a labelled diagram to show how it works.
- Draw a comic strip to show a snowman changing states of matter (melting) and explain why this is happening.

Reading

- Choose the one thing that interests you the most about the Romans and create a song/poem or rap to explain it. Record/write down your composition or perform it at school.
- Do some home reading each night using a variety of sources. Record three things that you have read.

Art

- Create a symmetrical mosaic tile using cut out 2D shapes.
- Research Roman Coins and draw one.

Health and Wellbeing

- Find a Roman recipe. Create this recipe and take a photo of your creation (Write the recipe to go with your photo in case others would like to have a go).
- Create an obstacle course for your family or friends to try out. Who can complete it the quickest and be crowned the winner?
