

# SAINT MODWEN'S

## REMOTE LEARNING PROVISION

**Our remote learning programme offers your child/ren:**

- continued access to high quality teaching and learning from their class teacher via a virtual classroom and
- the opportunity for them to continue to feel connected with their classmates, teaching team and the wider St Modwen's family - supporting their mental health and well-being.

**We have received amazing feedback from our children and parents regarding our remote learning provision!**

I can't thank the year 5 staff enough today. Last week my son was so very stressed, anxious and over whelmed. Today he was happy, engaged, cheerful, motivated, he really enjoys the lessons that are set.

The children enjoyed seeing their friends on camera so they were more committed .

My class assemblies on Fridays are so much fun!

We just want to say big thank you for this weeks online lesson all of you at school are fantastic. You make things much easier for us as both of us are working, we just swap around children. We much appreciated your hard work!

Thank you - hearing remote learning stories from other schools...ours is fab! The children seem really engaged and participate so well.

It's really nice seeing my teacher and all of my friends. My PE lesson was lots of fun too!

Thank you so much. I can't imagine how hard it's been keeping up with it all. But the kids have loved it so thank you
