		<p>sanitise chairs, tables, door handles, surfaces Governors may have touched at the end of the meeting ahead of 'normal school operation' the following day.</p> <ul style="list-style-type: none"> • No sharing of resources/papers will be allowed at Governor meetings. Governors will be expected to bring their own copy of papers which will be provided to them ahead of the meeting which only they will handle. 				

4. Tick (✓) if any of the identified hazards relate to any of the following specific themes:

Hazardous Substance	Manual Handling	Display Screen Equip	Fire	Work Equip / Machinery	Stress	Individual Person such as Young Person New/ Expectant Mother or Service User
✓			✓		✓	✓

If any are ticked a specific risk assessment form must be completed separately. For example a COSHH form must be completed if a hazardous substance is used.

5. Risk Rating

The risk rating is used to prioritise the action required. Deal with those hazards that are high risk first.

Risk Rating	Description	Action Priority
High	Where harm is certain or near certain to occur and/or major injury or ill-health could result	Urgent action
Medium	Where harm is possible to occur and/or serious injury could result e.g. off work for over 3 days	Medium priority
Low	Where harm is unlikely or seldom to occur and/or minor injury could result e.g. cuts, bruises, strain	No action or low priority action

6. Assessment

Signature of Assessor(s):

Print Name: Carol Salt

Signature of Line Manager:

Print Name: Anna Duffy

Date Assessed: 29.9.2020

Review Date: 29.9.2020

7. Communication and Review

This risk assessment should be communicated to all employees and relevant persons who may come into contact with the hazards being assessed. The assessment must be reviewed annually or following a significant change, accident or violent incident.
