Wraparound Care Club Survey Results

Carol Salt – School Business Manager

12.3.2021

Context of school review of Wraparound Services offered to children and families

Historically school has operated in-house run Breakfast Club and Afterschool Club offering a range of play-based activities, sports clubs and more targeted clubs such as Science Club, Music/Drama, Art/Craft and Cookery Clubs. Here at St Modwen's we have embraced the Government's 'Extended Schools' strategy which encouraged schools to offer 'extended services' to children and families widening the 'tradition school offer' and enabling us to offer a broader range of early intervention and childcare services to meet the needs of our children, our families and the wider community. All of which sit comfortably with our Catholic values of inclusivity, unity, fidelity and respect within the domestic family unit, the church family and the wider community.

Why was the review of school Wraparound Services necessary?

Financial sustainability: Although Government encourages schools to offer a range of 'extended services' to meet the broader needs of children and families, particularly in support parents to maintain employment or as a route to employment/training, schools are not able to use their 'Core DfE funding' to sustain such services and they have to operate as a 'traded service' and at least break-even. Breakfast Club has always operated a financially sustainable model and its operating surpluses have historically sustained our After School Club provision so school's wraparound services break-even financially.

Covid-19 has significantly impacted on the sustainability of school's Wraparound services resulting in both our Breakfast Club and After School Club Services not being financially viable. For Financial Year 20/21 we are looking at a predicted loss of £4,400 across Breakfast Club and Afterschool Club. There are a number of reasons for this:

- **Loss of income:**

- parents have been furloughed, working from home, face their own financial constraints and therefore attendance at our wraparound services has significantly dropped off as parents have not needed the services. This particularly applies to our After School Club services where numbers were so low during Autumn Term Governors unfortunately had to make the decision to close (13.11.2020).
- Covid-19 outbreaks in school resulted in school having to close its wraparound services
- Covid-19 Government restrictions and school control measures to keep children/staff safe also place limitations on the numbers of children school can safely accommodate considering: social distancing; staff:child ratios; ventilation of space; limiting staff working across Bubbles (infection transmission)

- **Un-recoupable Expenditure:**

- Although school took advantage of the Government Furlough scheme this only covered 80% of school staff costs, school still had to fund 20% of all staff costs.

Our Governors and Senior Management Team in school have kept our 'Traded Services' under constant review, tracking weekly the take-up and sustainability of those services, as although we value and recognise the benefits to children and families we are also mindful that they cannot take valuable financial resources away from teaching and learning in school. Faced with the above challenges our Governors made the following decisions:

1. Autumn Term 2 2020 – close our After School Club (13.11.2020), maintaining running the Breakfast Club but with weekly reviews on the take-up and financial sustainability
2. Lock-Down 3 announced 5.1.2021: Schools in England close to all pupils with the exception of vulnerable/SEND children and children of Key Workers. Governors made the decision to:
 - a. close Breakfast Club for Spring Term 2021 w.e.f 11.1.2021
 - b. on the publication of the Government's Roadmap to recovery, including the re-opening of schools, school was to undertake a full review of how Wraparound Services would be provided by school going forward which included:

- i. Wraparound Survey of parents/carers needs going forward to re-establish what demand would be for future services. Our survey was to take into account schools guidance issued by the Government for the re-opening of schools from 8.3.2021 (*Protective measures for holiday and after-school clubs, and other out-of-school settings during the coronavirus (COVID-19) outbreak, initially Published 23.2.2021 and updated 11.3.2021*) and *Schools coronavirus (COVID-19) operational guidance Published 22.2.2021 updated 10.3.2021*. School Wraparound Care Survey opened 26.2.2021 and closed 7.3.2021.
- ii. How school can accommodate the future need for Wraparound care services within the current DfE Guidance for Schools and Schools Covid-19 Control Measures to ensure ongoing health and safety of our children, staff and any partner service providers.
- iii. How school can work more collaboratively with local partner service providers to provide its Wraparound Care Services i.e. Private, Voluntary Providers of childcare/ local Sports Clubs/providers of Sports service and other service providers to provide a sustainable, high-quality range of enrichment activities for children.
- iv. A detailed programme of what and when school Wraparound Services will operate going forward. Developing a sustainable and financial viable model of traded Wraparound Services.

School are committed to ensuring it continues to offer a wider range of sustainable 'extended services' to its children and families and it's important to us we are authentic in ensuring our parents views shape the services we provide now and in the future in school. We would like to thank you everyone for taking the time to complete our Wraparound Care Survey and now share with you those results and our initial risk assessment .

School Wraparound Care Survey Results

- 1. Summary Profile of responses received and breakdown by Year Group of children requiring Wraparound Care**
- 2. Analysis of Need - Breakfast Club**
- 3. Analysis of Need - After School Club**
- 4. Analysis of Need - Holiday Clubs**
- 5. Additional Parental Comments**

1. Summary Profile of responses received: Reference Appendix 1 for Tables and Charts
 School received 66 responses to its Wraparound care services survey from parents. This equates to 17.4% of school population (66 of 379 current pupils on roll Reception – Year 6)

Key Findings:

1.1 66 parents responded to Wraparound care services survey.

- 18% (12 of 66) of Early Years parents responded
- 32% (21 of 66) of KS1 parents responded
- 50% (33 of 66) of KS2 parents responded

1.2 89% (59 of 66) respondees requested school provide access to Wraparound Care Services. This equates to 15.6% of school population (59 of 379 current pupils on roll Reception – Year 6)

1.3 Parental responses for reason for requiring Wraparound care services:

- 31% (29 of 93 responses) - School educational activities (including catch-up provision)
- 64% (59 of 93 responses) - To support us as parents to work, seek work, undertake education or training, attend medical appointments/address a medical need or attend a support group

1.4 Profile of responses by Key Stage:

- Early Years (18% - 12 of 66 responses)
- KS1 (32% - 21 of 66 responses)
- KS2 (50% - 33 of 66 responses)

Profile of responses by Year Group/Key Stage			
Year Group	No of responses	% of responses	Key Phase
R	12	18%	18%
1	8	12%	32%
2	13	20%	
3	10	15%	50%
4	9	14%	
5	8	12%	
6	6	9%	
Total	66		

2. Analysis of Need for Breakfast Club – Reference Appendix 2 for Tables and Charts

Key Findings:

43 children required access to Breakfast Club = 65% (43 of 66 respondents) – This equates to 11% of school population (43 of 379 current pupils on roll Reception – Year 6)

a. Start-time of Breakfast Club:

- i. 70% (30 of 43) respondents requested Breakfast Club provision from 7.30am – school start-time
- ii. 30% (13 of 43) respondents requested Breakfast Club provision from 8.00am – school start time

b. Breakfast Club with or without Breakfast included:

- i. 67% (29 of 43) respondents requested Breakfast Club provision with Breakfast
- ii. 33% (14 of 43) respondents requested Breakfast Club provision without Breakfast

c. Breakfast Club required – days of the week provision required:

- i. 81% (35 of 43) respondents requested Breakfast Club provision on Monday
- ii. 77% (33 of 43) respondents requested Breakfast Club provision on Tuesday
- iii. 79% (34 of 43) respondents requested Breakfast Club provision on Wednesday
- iv. 74% (32 of 43) respondents requested Breakfast Club provision on Thursday
- v. 65% (28 of 43) respondents requested Breakfast Club provision on Friday

d. Type of Breakfast Club activities interested in school providing:

- i. 53% (23 of 43) of respondents requested Morning Sports Clubs
- ii. 33% (14 of 43) of respondents requested Morning Catch-up Learning Support programmes
- iii. 77% (33 of 43) of respondents requested Morning Play sessions

e. When respondents would require Breakfast Club provision from:

- i. 84% (36 of 43) of respondents requested Breakfast Club commences as soon as possible
- ii. 12% (5 of 43) of respondents requested Breakfast Club commences Summer term 1 2021
- iii. 4% (2 of 43) of respondents requested Breakfast Club commences Autumn Term 1 2021

Breakfast Club Provision Implications/Risks for school

Risk Factor	Risk to school	Level of Risk (RAG Rating)	Government Advice/Guidance <small>Protective measures for holiday and after-school clubs, and other out-of-school settings during the coronavirus (COVID-19) outbreak. Updated 11 March 2021</small>	Implications/risks for school re-opening of Breakfast Club Provision
1	Financial liability for school if delivered in-house – risk of service being unsustainable		School 'Extended Services' should be operated as Traded Services and sustainable from parental fees and charges. School core budget is for the provision of core education and learning.	Governors have recommended school work with Private, Voluntary, Independent and Sports Providers to deliver this provision on behalf of school should our Wraparound Survey demonstrate demand for such services.
2	Increased risk of transmission through re-opening Breakfast Club – Reference Wraparound Care Risk Assessment/Recovery Plan		School to adopt a risk assessment approach when considering the re-opening of its Wraparound Care services provision	School to re-open Breakfast Club from 22.3.2021 – with limited provision to meet the control measures school required for health and Safety purposes. School to commence working with Private, Voluntary, Independent and Sports Providers to explore longer-term service delivery model options.

School Action: School is currently working with local Private Voluntary Providers/ Sports Providers to explore the feasibility of delivering a range of Holiday Club services operating a risk assessment approach to the delivery of services in accordance to Government Guidance: *Protective measures for holiday and after-school clubs, and other out-of-school settings during the coronavirus (COVID-19) outbreak. Updated 11 March 2021.*

School still has the risks regarding:

- ventilation particularly of the Hall area to consider
- safeguarding – Fire Doors in hall not able to be kept open, safeguarding risk to children
- Staff operating provision on behalf of school – limiting contacts to reduce the risk of transmission, safeguarding checks working with children, quality of service provision delivered on behalf of school

3. Analysis of Need for Afterschool Club – Reference Appendix 3 for Tables and Charts

Key Findings:

41 children required access to Afterschool Club = 62% (41 of 66 respondents) – This equates to 11% of school population (41 of 379 current pupils on roll Reception – Year 6)

a. Start-time of Afterschool Club:

- i. 15% (6 of 41) respondees requested Afterschool Club provision from 3.30 – 4.30pm
- ii. 20% (8 of 41) respondees requested Afterschool Club provision from 3.30 – 5.00pm
- iii. 39% (16 of 41) respondees requested Afterschool Club provision from 3.30 – 5.30pm
- iv. 27% (11 of 41) respondees requested Afterschool Club provision from 3.30 – 6.00pm

b. Afterschool Club with or without Afterschool included:

- i. 85% (35 of 41) respondees requested Afterschool Club provision with snack provided
- ii. 15% (6 of 41) respondees requested Afterschool Club provision without snack

c. Afterschool Club required – days of the week provision required:

- i. 71% (29 of 41) respondees requested Afterschool Club provision on Monday
- ii. 80% (33 of 41) respondees requested Afterschool Club provision on Tuesday
- iii. 68% (28 of 41) respondees requested Afterschool Club provision on Wednesday
- iv. 80% (33 of 41) respondees requested Afterschool Club provision on Thursday
- v. 51% (21 of 41) respondees requested Afterschool Club provision on Friday

d. Type of Afterschool Club activities interested in school providing:

- i. 68% (28 of 41) of respondees requested Afterschool Sports Clubs
- ii. 51% (21 of 41) of respondees requested Afterschool Catch-up Learning Support programmes
- iii. 73% (30 of 41) of respondees requested Afterschool Play sessions
- iv. 63% (26 of 41) of respondees requested Afterschool Play sessions
- v. 97% (40 of 41) of respondees requested Afterschool Play sessions

e. When respondees would require Afterschool Club provision from:

- i. 80% (33 of 41) of respondees requested Afterschool Club commences as soon as possible
- ii. 12% (5 of 41) of respondees requested Afterschool Club commences Summer term 1 2021
- iii. 7% (3 of 41) of respondees requested Afterschool Club commences Autumn term 1 2021

Re-introduction of Afterschool Club Provision Implications/Risks for school

Risk Factor	Risk to re-opening	Level of Risk (RAG Rating)	Government Advice/Guidance	Implications/risks for school re-opening of Breakfast Club Provision
1	Financial liability for school – risk of service being unsustainable	 MED	Protective measures for holiday and after-school clubs, and other out-of-school settings during the coronavirus (COVID-19) outbreak. Updated 11 March 2021 School 'Extended Services' should be operated as Traded Services and sustainable from parental fees and charges. School core budget is for the provision of core education and learning.	Financial Risk – for the operation of Afterschool Club provision has been proven to be financially unsustainable for school to deliver in-house. Governors have recommended school work with Private, Voluntary, Independent and Sports Providers to deliver this provision on behalf of school should our Wraparound Survey demonstrate demand for such services.

School Action: School is currently working with local Private Voluntary Providers/ Sports Providers to explore the feasibility of delivering a range of Afterschool Club services operating a risk assessment approach to the delivery of services in accordance to Government Guidance: *Protective measures for holiday and after-school clubs, and other out-of-school settings during the coronavirus (COVID-19) outbreak. Updated 11 March 2021.*

School still has the risks regarding:

- ventilation particularly of the Hall area to consider
- safeguarding – Fire Doors in hall not able to be kept open, safeguarding risk to children
- Staff operating provision on behalf of school – limiting contacts to reduce the risk of transmission, safeguarding checks working with children, quality of service provision delivered on behalf of school

4. Analysis of Need for Holiday Club – Reference Appendix 4 for Tables and Charts

Key Findings:

24 children required access to Holiday Club = 36% (24 of 66 respondents) – This equates to 6% of school population (24 of 379 current pupils on roll Reception – Year 6)

f. Start-time of Holiday Club:

- i. 4% (1 of 24) respondents requested Holiday Club provision for Morning sessions
- ii. 4% (1 of 24) respondents requested Holiday Club provision for Afternoon sessions
- iii. 92% (22 of 24) respondents requested Holiday Club provision whole day sessions

g. Holiday Club with or without snack/lunch included:

- i. 71% (17 of 24) respondents requested Holiday Club provision with snack/lunch provided
- ii. 29% (7 of 24) respondents requested Holiday Club provision without snack/lunch

h. Holiday Club required – days of the week provision required:

- i. 79% (19 of 24) respondents requested Holiday Club provision on Monday
- ii. 79% (19 of 24) respondents requested Holiday Club provision on Tuesday
- iii. 79% (19 of 24) respondents requested Holiday Club provision on Wednesday
- iv. 71% (17 of 24) respondents requested Holiday Club provision on Thursday
- v. 58% (14 of 24) respondents requested Holiday Club provision on Friday

i. Type of Holiday Club activities interested in school providing:

- i. 79% (19 of 24) of respondents requested Holiday Sports Clubs
- ii. 54% (13 of 24) of respondents requested Holiday Catch-up Learning Support programmes
- iii. 96% (23 of 24) of respondents requested Holiday Play sessions
- iv. 71% (17 of 24) of respondents requested Holiday Music, Dance and Drama sessions

j. When respondents would require Holiday Club provision from:

- i. 58% (14 of 24) of respondents requested Holiday Club Easter Holiday Period
- ii. 42% (10 of 24) of respondents requested Holiday Club Summer Term 2020 – May Bank Holiday week
- iii. 92% (22 of 24) of respondents requested Holiday Club commences Summer term 2 – 6 week holiday period 2021
- iv. 63% (15 of 24) of respondents requested Holiday Club commences Autumn term Half-term week 2021
- v. 63% (15 of 24) of respondents requested Holiday Club commences Spring term Half-term week 2022

Holiday Club Provision Implications/Risks for school

Risk Factor	Risk to school	Level of Risk (RAG Rating)	Government Advice/Guidance	Implications/risks for school re-opening of Breakfast Club Provision
1	Financial liability for school if delivered in-house – risk of service being unsustainable		Protective measures for holiday and after-school clubs, and other out-of-school settings during the coronavirus (COVID-19) outbreak. 5. Additional Parental Comments

Please Add Any Other Comments You Would Like School to Consider in its Review of Wraparound Service Provision in School

Parents Comments

1	For holiday clubs, days would be Monday, Wednesday and Thursday. Unfortunately I could not select more than one day.
2	We really need the wraparound care as we both work outside of the local area and have no family that live close by. It won't be possible for us to return to our jobs when working from home ends, without it. The wraparound care was a huge factor in us choosing the school for XX. Harrington's is already full.
3	I personally work for the NHS which obviously is not a 9-5 job, I work shifts, overnight and weekends. I have standard set days when not on out of hours, however, if working overnight/ weekends I don't need wrap around care each day/week. I have always used the schools breakfast and after school club which provide fab activities for my child and is lovely knowing my child is happy attending the clubs, previously my other child enjoyed after school sport activities. The holiday club sounds good providing a familiar environment if the hours are there. We are both working parents that rely on these clubs as 9-3 is no good to us, currently we are having to juggle collection between us and our parents (who also work) and this is not sustainable in the long run, knowing the school has clubs takes that pressure off, we have been fortunate that businesses have been lenient towards collecting our child during this pandemic but this won't last forever. Catch up lessons/further help sounds good to get my child to where they should be, it has been hard mentally during the last year to work on the front line in the hospital and having to come home hoping to de-stress and then worrying about school work/extra work with my child, she has attended school throughout but I have not managed to provide her further help/tuition. Please can you consider not all parents work 9-5, 9-3 or only mon-fri, i for one my shifts vary from week - week.
4	We would love if ASC could be open until 6pm because of our work hours. We would love a holiday club that operated to similar hours. We currently send our children to Harrington nursery but it isn't a good provision for older children as it's boring. However most holiday clubs run from 9-5 and this is no good for my work hours so I have no choice but send them to Harringtons.
5	We would love if ASC could be open until 6pm because of our work hours. We would love a holiday club that operated to similar hours to term time wraparound care. We currently send our children to Harrington nursery but it isn't a good provision for older children as it's boring. However most holiday clubs run from 9-5 and this is no good for my work hours so I have no choice but send them to Harrington's.
6	When I return to work I do not have any else to pick my child up from school.
7	When I return to work I do not have anyone else to pick my child up.
8	XX isn't showing any interest in the home learning however he is trying his best.
9	Your breakfast club states it will be open from 7:30am. Is this correct? This is the time i will need it from thank you
10	To please consider parents who work shifts as working days may vary depending on the shifts you are given. With the hospitals being busy at the moment, staff are often having their shifts changed depending on demand or staff shortages.

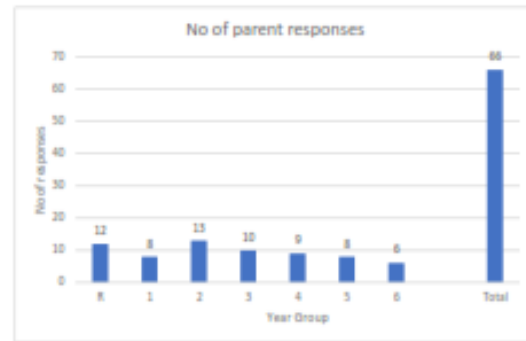

11	If there is any extra curricular study groups available for catch up i would extremely consider Isiah attending these groups
12	Special needs sibling - it makes it very difficult for him to be around a lot of people which can sometimes have him having a meltdown so both clubs are important to me for this reason and plus XXX loves coming
13	Wraparound care is an essential provision. Please explore opportunities to make this available.
14	Wraparound care is an essential provision. Please explore opportunities to make this available.
15	Breakfast club starting at 7.30 would be ideal. This would enable me to start work at 8am
16	Without The wraparound care would myself been unable to work which as a family I need to be able to work. Also my daughter has enjoyed the wraparound care since she started school and think it's a great service you provide as it's safe and enjoyable.
17	Possibly more if available
18	N/A
19	Holiday club is vital and securing activities to help the children reconnect with each other would be amazing for their own wellbeing. Non refundable commitment to some sessions is ok, but if cancellations of places could still be visible for last minute bookings it would be perfect. A "last minute booking" option with a few limited places everyday would also be helpful, they wouldnt have to include snack if that was tricky. A club we would love to see would include cycling proficiency!
20	I worry that the reception children have not bonded or had the usual experience to create a circle of friends, i think some play sessions would be great for the reception years in particular, without involvement specifically from older groups of children who could dominate the sessions.
21	No
22	It would be great if you can be flexible with the days as we work shifts
23	Breakfast club has been really helpful over the years. Would appreciate it if you reconsider reinstating it for the working parents. Thank you all for the great work you've done during this pandemic
24	Please provide more information regarding holiday club. I would consider holiday clubs depending on cost.
