

RE

Make an Easter garden with the tomb stone opening to show Jesus has risen

English

Postcard from Jamaica

Create a colourful postcard pretending you are visiting Jamaica.

Draw things they might see (beaches, palm trees, sunshine) and write 1-2 simple sentences.

Maths

Tell the time to o'clock and half past.

Geography

Weather Watch

Keep a simple weather diary for 3 days and compare it to Jamaica's warm weather.

Prompt: Is it hotter or colder than Jamaica?

Half-Termly

Summer One

Topic

Jamaica

Art/Design & Technology

Design a Tropical Garden

Draw your own tropical garden inspired by Jamaica. Include bright flowers and tall plants.

Science link: Label parts of a plant (root, stem, leaf, flower)

Music

Jamaican Plant Song or Dance

Create a short song, rhyme, or dance about plants you might find in Jamaica (e.g. banana trees, coconut trees, flowers).

Ideas: Sing about what plants need to grow (sun, water, soil) Add actions (growing tall like a plant, stretching to the sun)

Science

Grow Your Own Plant

Plant a seed (bean or cress) at home and observe it over a week.

Draw pictures and write sentences about how it changes.

Health and Wellbeing

Tree Detective

Go on a short walk and spot different plants or trees. Draw one and describe it

Link: Compare to tropical plants found in Jamaica.
