

RE

Create a storyboard retelling the Pentecost story.

English

Research: Write some facts about life in the past. This could be old toys, transport, ways to communicate and home life in general.

Summer Story: Write three sentences describing your perfect summer day out using the word "because".

Maths

Coin Counter: Use real 1p, 2p, 5p, and 10p coins to make the total of 20p in different ways.

History

Toy Interview: Ask a grandparent or older relative about their favourite childhood toy. Draw a picture of it

Half-Termly Activity Grid

Year 1 Summer Two

Topic

Living Memory: Past and Present

Art/Design & Technology

Create: Build an old toy from the past using junk modelling material.

Design Studio: Design a toy for the future. Label the parts to show what special powers it has.

Reading

Phonics Spy: Read your favourite book and find five words that contain split digraphs (like a-e in 'game' or i-e in 'kite').

Ask your parents what their favourite book was when they were a child.

Science

Material Hunt: Find a plastic toy, a wooden toy, and a fabric toy. List the materials used.

History

Toy Timeline: Find three toys at home. Sort them from oldest to newest and take a photo.
