

RE

- The children will learn that God created them and loves them. They will explore the beauty of the world, learn simple prayers, begin to use the Sign of the Cross, and discover ways to care for themselves, others, and God's creation. Talk about the wonderful things God has made, such as animals, plants and people, themselves and their family

Communication and Language

- To help your child develop their vocabulary talk to them as much as possible about what they are doing. Ask them about their day. What have they been doing? What was their favourite activity?

Maths

- Make handprints of everyone's hands in your family. You can paint your hands or draw round your hands. Cut them out and put them in size order from smallest to largest.

Literacy

- Go on a listening walk around the house or garden and listen carefully to all the different sounds you can hear. Talk about what you heard. Did you recognise any of the sounds? Were they loud or quiet?

Half-Termly

Activity Grid Suggestions

Nursery Autumn 1

Topics

It's Good to be Me and Nursery Rhymes

Understanding the World

- Draw a picture or take a photograph that shows all of the people that are special to you. Can you see the differences between people? Do you all have the same hair colour? Skin colour? Eye colour etc? Talk about what you see.

Literacy-Reading

- Look at a picture book and talk about what you see in the pictures. Can you hold the book the right way and turn the pages one at a time?

Expressive Arts and Design

- Can you teach someone at home one of the nursery rhymes we have been singing? See if you can remember all the words and actions

Physical Development

- Help your child to develop their independence with their toileting needs, flushing the toilet and washing their hands. Encourage them to be able to manage buttons, zips etc when putting on or taking off their coats.
