

RE

- Talk to your family, a family member or a family friend about either your baptism or their baptism and discuss the importance of this.

English

- Research the author of our book this half term, Polly Ho-Yen.
- Sketch what you think the opening scene of the book would look like. What do think the Bluchers would look like?

Maths

- Create a step by step guide about how to use the bus stop method for division.
- Use TT rockstars daily – help your class win our weekly competition..

Geography

- Research the different boroughs that make up New York State.
- Create 'top trump' style cards for different landmarks in New York and London.

Half-Termly

Activity Grid Suggestions

Year 5 Spring 1

Topic

New York and London

Art

- This half term we are focusing on the artist, Stephen Wiltshire.
- Sketch a cityscape of your choice.

Reading

- Research the author of Cosmic and other books he has written.
- Read a book at home and create a book review about the book for other children.

Design and Technology

- Using junk modelling, recreate a famous landmark in New York or London.
- Design and make a vehicle that could be used on a space mission.

Science

- Create a poster about our solar system.
- Research what happened during the Space Race and who was successful.
