

RE

- Read some of the letters of Saint Paul to discover how Paul asked people to become more like Christ. Let this inspire you to do good deeds during Lent.

English

- Read some Norse or Anglo-Saxon myths and legends. Can you write your own adventure for one of the characters? Alternatively, you could create your very own myths and legends story.

Maths

- Research the journeys Vikings made from Denmark to Britain. Work out how long these journeys are and then convert them from miles to kilometres and from kilometres to metres and centimetres. Can you calculate how long these journeys would have taken in Viking times? How long would they take now?

History

- Research the five boroughs and the Viking Danelaw area. Create a fact file or a poster to showcase your finds. How was our local area involved?

Half-Termly Activity Grid Suggestions

Year 5 Spring 2

Topic Vikings and Anglo Saxons

Design Technology/ Art

- Draw or create your own Anglo-Saxon themed jewellery. It could be a brooch, necklace or a ring.

Reading

- Read some myths and legends from Viking or Anglo-Saxon folklore. Can you choose your favourite character and make a character profile for them?

Little and Often

- Practise the following spellings: jumped, gathered, happened, didn't, wouldn't.
- Practice converting between decimals and fractions and equivalent fractions.
- Practise converting between kg/g, cm/m/mm, km/m, ml/L.

Health and Wellbeing

- On your way to school or when you go for a walk, look out for Spring flowers and plants. Can you create a table to record what Spring flowers and plants there are and when they have come out/flowered.
