

RE

- Research the Sacrament of Holy Orders and create a report about the different vocations Holy Orders can lead a person to.

English .

- Pick a suitable question and write a balance argument on it. E.g. Should children wear school uniform? Make sure you cover both sides of the argument.

Maths.

- Practise converting between different units of measurement by multiplying and dividing by 10/100 and 1000.
- Practise translating and reflecting 2D shapes on squared paper. You could try using your initials.

History

- Research Tutbury Castle and any other Norman Castles which are located in the local area. Draw a detailed diagram of a mot and bailey castle and explain why they were so effective as a defensive structure.

Half-Termly Activity Grid

Year 5 Summer 2

Topic

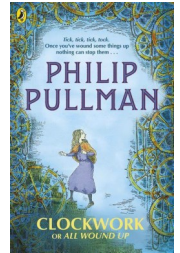

The Norman Conquest

Art.

- Using a suitable piece of software, design and create your own digital artwork. You could use a tablet or a computer.

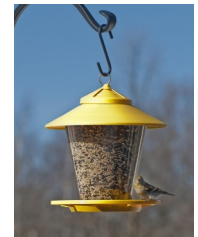

Reading.

- Design a new front cover and blurb for our class book- Clockwork by Philip Pullman.

Design and Technology

- Design your own birdfeeder. Think about the function and use. What material would you use to construct it and why?

Science.

- Using household items, create a 3D scientific diagram modelling how molecules are positioned in a solid, a liquid and a gas.
