

RE

Think about some parables that we know. Write the message of the parable that Jesus was trying to teach. Some examples:

- The Lost Sheep
- The Prodigal Son

English

- Think of a place you have visited or would like to visit. Write a postcard from that place.
- Research an inspirational person like Emmanuel and create a fact file about them.

Maths

- Practise your timestables on TTRockstars.
- Look around your house for 3D shapes. What shapes did you find? What are the properties of those shapes? Could you sort the shapes according to their properties?
- Practise recognising different coins and notes. Could you help an adult to buy something from the shop using the correct money?

Geography

- Research a country in Africa. What is the climate of your country like? What are the human and physical features of your country? How is it different to a country in the United Kingdom?

Half-Termly Activity Grid

Year 2 Spring 1

Topic Africa

Art

- Draw or paint an African animal using lots of colours! Think carefully about the techniques you will need to use to complete it.
- Create a sculpture of an African art mask.

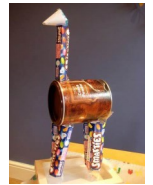

Reading

- Write a new blurb for your book. Remember to make it interesting!
- Draw a new front cover for your book.
- Write a text conversation from one character of your book to another.

Design and Technology

- Use different recycled materials in your house to create a model of an African animal.

Science

Look at different objects around your house. What materials are they made from? What are the properties of the materials?

Design a shelter for a pet. What materials would you use? Why are those materials suitable for a shelter?
